

DAVID ROBERTSON REPUBLICAN FOR MO HOUSE DIST 97

Why Am I Running?

I'm **SICK & TIRED** of politicians who don't understand the system of government **OUR FOUNDERS** gave us, or worse – those who sell out Missourians to special interests while pretending to be conservatives. Our rights are being eroded and **I WON'T STAND FOR IT!**

What Do I Believe?

- Government exists **SOLELY** to protect your inalienable rights, which come from God
- Government should serve its citizens, **NOT** special interests & lobbyists
- We are engaged in a **SPIRITUAL BATTLE** for the soul of our nation

Who Am I?

- Retired physics professor & leader in Missouri's conservative grassroots movement
- Worked on Bill Eigel's Campaign for Governor, '24
- Organized first STL Medical Freedom March, '22
- Knocked on 1,500 doors for Charlie Kirk's Turning Point organization to elect President Trump
